Commissioners' Report

To the Citizens of Grafton County:—

We herewith submit our report of the affairs of the County for the year ending December 31, 1905.

The appropriation for the current year was \$40,000, \$5,000 less than for last year. The money received from the License Commissioners was also approximately \$5,000 less, but notwithstanding this all the regular bills have been paid, all necessary repairs made on the Court houses and at the County farm, new steel shelves and record boxes put into the office of the Clerk of Court at an expense of \$1,050, the indexing of the Probate records completed at a cost of \$421.28, and \$3,000 paid on the indebtedness. This leaves an indebtedness of one note of \$15,000 and outstanding orders which had not been presented for payment amounting to \$291.96, while the cash on hand, bills due the County farm and personal property at the farm amount to \$33,498.31, making a surplus above liabilities of \$18,206.35, a gain in surplus of \$3,355.26. If this policy is continued until the County is out of debt it will be a saving annually in interest.

The indexing of records in the office of the Register of Probate has cost the County \$1,257.63 and is a credit to the office as it is undoubtedly the best in the state.

The cost of supporting paupers and dependent soldiers of the farm has been less than in former years, but owing to higher prices paid for help and supplies and the new law requiring Counties to keep all prisoners in the jail and House of Correction without pay has made the cost at the

farm more. The net Court expense is about the same as in former years.

The farm has produced and sold cream, during the year, to the amount of \$3,744, which is the most it has ever produced. The live stock on the farm consists of 7 horses and 1 colt, 120 cows, 20 heifers, 19 calves, 2 bulls, 1 pair oxen and 78 hogs and shoates, and the produce raised on the farm, as inventoried December 31st, 1905, was 275 tons hay, 200 tons ensilage, 20 tons straw, 825 bushels oats, 150 bushels corn, and a large quantity of vegetables.

Respectfully submitted,

GEO. H. TURNER,	}	Commissioners.

Total net cost of supporting paupers at Farm
for the year ending December 31, 1905 \$10,554 09

In accordance with Chapter 30, Section 1, Public

Statutes, the Superintendent of the County Farm shall make up his report to January 1, annually, and also Section 2 of said Chapter requires that the Superintendent's report shall contain, in addition, a list of paupers actually supported at the Farm, and the number of weeks each was so supported, also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1905, one hundred and thirty (130).

The number of weeks' board is ascertained by taking the number of days of admittance and days of departure of each individual and dividing that number by seven which gives the number of weeks each individual has been so supported.

The whole cost of supporting paupers at the Farm for the year ending December 31, 1905, is \$10,554.09, and this sum divided by the whole number of weeks' board furnished, viz., 5214 gives \$2.02 as the price per week.

Respectfully submitted,

H. C. PHILLIPS, Superintendent

We the undersigned hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the County of Grafton, for the year ending December 31, 1905, and find the same to be properly vouched and correctly cast.

GEO. H. TURNER,

H. F. HOYT,

C. J. AYER,

Commissioners of Grafton County.

To the Honorable, the Commissioners of Grafton County :

Your Chaplain would beg leave to report that services have been held every other sabbath during the year, as usual.

The number of preaching services so held has been twenty-one.

The sick and infirm have been visited in their rooms whenever such attention has been called for.

All these ministrations have been received with apparent appreciation by the inmates, and it is hoped that they have been helpful and profitable to all concerned.

Respectfully submitted,

C. E. EATON, Chaplain.

Wednesday, February 8.

The Convention met at 2 p. m. in the office of the Adjutant General, in accordance with the vote of the previous meeting and on notice given by the speaker. The meeting was called to order by the Chairman.

Mr. Turner chairman of the County Commissioners presented a carefully prepared and detailed estimate of the County expenses for the next two years, aggregating thirty eight thousand one hundred and twenty dollars annually for ordinary purposes. He also stated that two thousand dollars could be well spent in securing fire proof shelves and holders for the vault containing the papers of the Clerk of the Superior Court at Woodsville, and one thousand dollars in repairs on the County buildings (barn), and that six hundred dollars may be required for expenses of equalization.

Mr. Batchellor of Littleton made remarks suggestive of retrenchment and moved

That a committee of five consisting of the Chairman, Clerk, and three others, be appointed to go over the whole account in detail with the Commissioners with a view to the reduction of the appropriations to the smallest practicable sum. After some discussion in which Messrs. Craig, Merrill, Hurlbutt, Mitchell, Ayer, McGregor, and Ash, took part, the motion prevailed, the vote standing 18 in the Aff. and 7 in the Neg. The chair was authorized by vote to appoint the three additional members of the
